Does she know how to work out?
Yes, she does!

Does she know how to work out?
Yes, she does!

Does she know how to work out?
Yes, she does!

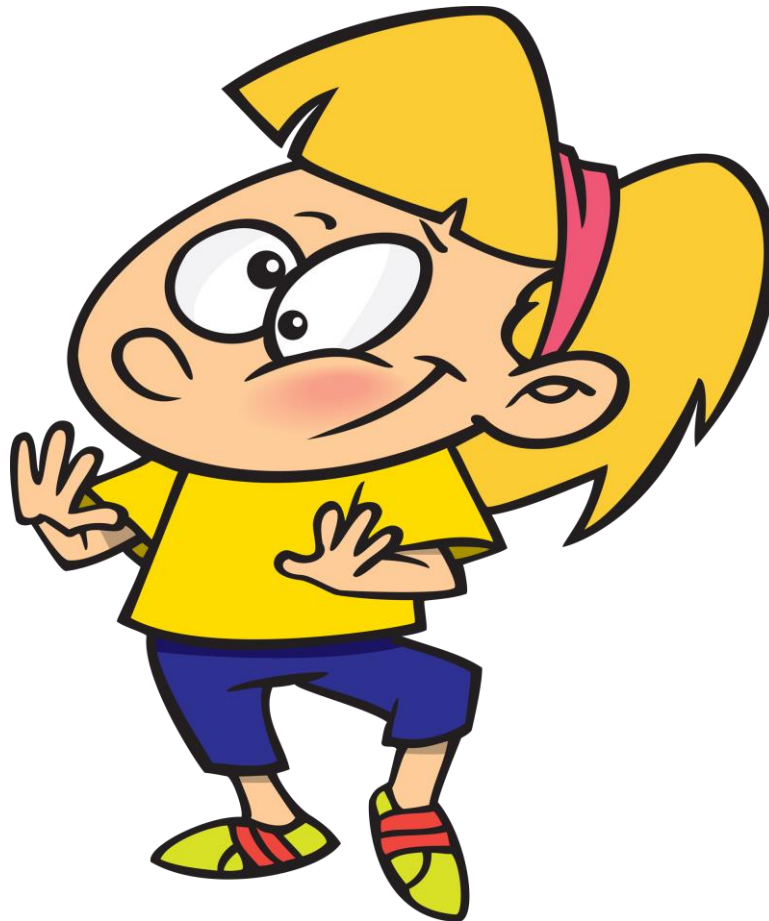

Does she know how to work
out? Yes, she does!

Does she know how to work out?
Yes, she does!

Does she know how to work out?
No, she does not!

Does she know how to work out?
Yes, she does!

Does she know how to work out?
I don't think so!
