There's a Little Butterfly!

(Tune: There's a Little White Duck)

Cherry Carl

Artwork: art4crafts.com

There's a little butterfly,

Flitter, flitter, flutter!

A little butterfly,

That doesn't even stutter.

I lay right down in the flower bed,

And kept very still like my mama said.

So the little butterfly

Will flitter, flitter, flutter . . .

On my hand!

There is a Fly . . .

(Tune: Do Your Ears Hang Low?)

by Cherry Carl Artwork: www.toonclipart.com

There is a **fly** that bothered me.

It **fluttered** around much worse than a **flea**!

I chased it around swinging high and low.

Tell me how I can catch it. I just don't know!

It **flapped** its wings and it **flew** away

when I actually wished that it would stay.

I thought that maybe I could squash it **flat**,

but it knew when to **flee**! Just imagine that!

For Jamey, who wields a fly swatter like a magic wand!

fl Shape Book

Directions: Duplicate one flower shape book for each child in the group. Staple several sheets of white bond behind the flower shape, staple at the top in the allotted spot. Allow children time to draw pictures of things that begin like flower. Children may dictate picture labels to the teacher/aide or make attempts to write their own. The teacher can write the correctly spelled under the child's invented spelling. Add the completed book to each child's collection of familiar reading.
