That's the Way the Flowers Grow

(Tune: Polly Wolly Doodle)
Permission from Lucy Jensen

Oh, you take some little seeds,
and you take a little soil,
and you pat them all together in a row.

Then you take a little sun,
and you take a little rain,
and that's the way the flower **grow**.

Chorus:

Don't you know? Don't you know?

That's the way the flowers **grow**!

Pushin' up and reachin' out
with leaves and petals all about!
That's the way the flowers **grow**!

Oh, you clap your little hands,
and you sing this little song,
and you smile at them with eyes aglow,
and you give a little cheer
when you see each bud appear
'cause that's the way the flowers grow! (Chorus)

Springtime Sings

(Tune: Polly Wolly Doodle)

Cherry Carl

The world is **green** as **green** can be,
or so it seems to be to me!

I hear and smell the springtime **grow**,
and see it in each new rainbow.

Bumblebees hum to butterflies,
while **grasshoppers** jump to the skies.

The bluebirds build their nests above
and lay their eggs with Mother's love.

Anthills rise above the **ground**
and ladybugs fly around.

The sunshine turns to skies of **gray**
as a rainstorm comes our way.

Splash in the puddles left all around
and listen to the springtime sound!

The birds and the bees and the flowers and the trees
sing along with the springtime breeze!

Zippity Color

(Tune: Zip a Dee Doo Dah)

Cherry Carl

Artwork:

Zippity color! Zippity **green**!

You're the loveliest that I've ever seen!

You color the grass and the trees on my street,

You paint all the veggies that I get to eat!

I can eat a **green** dill pickle.

I'll eat **green** peas that tickle!

I don't even need a nickel!

Zippity color! Zippity **green**!

Wonderful color! Wonderful **green**!

Directions: Duplicate one *graph* shape book for each child in the group. Staple several sheets of white bond behind the shape, Staple on the left. Allow children time to draw pictures of things that begin like *graph*. Children may dictate picture labels to the teacher/aide or make attempts to write their own. The teacher can write the correctly spelled under the child's invented spelling. Add the completed book to each child's collection of familiar reading.
