

H is for Hippo!

H is for hippo,

and h is for hen,

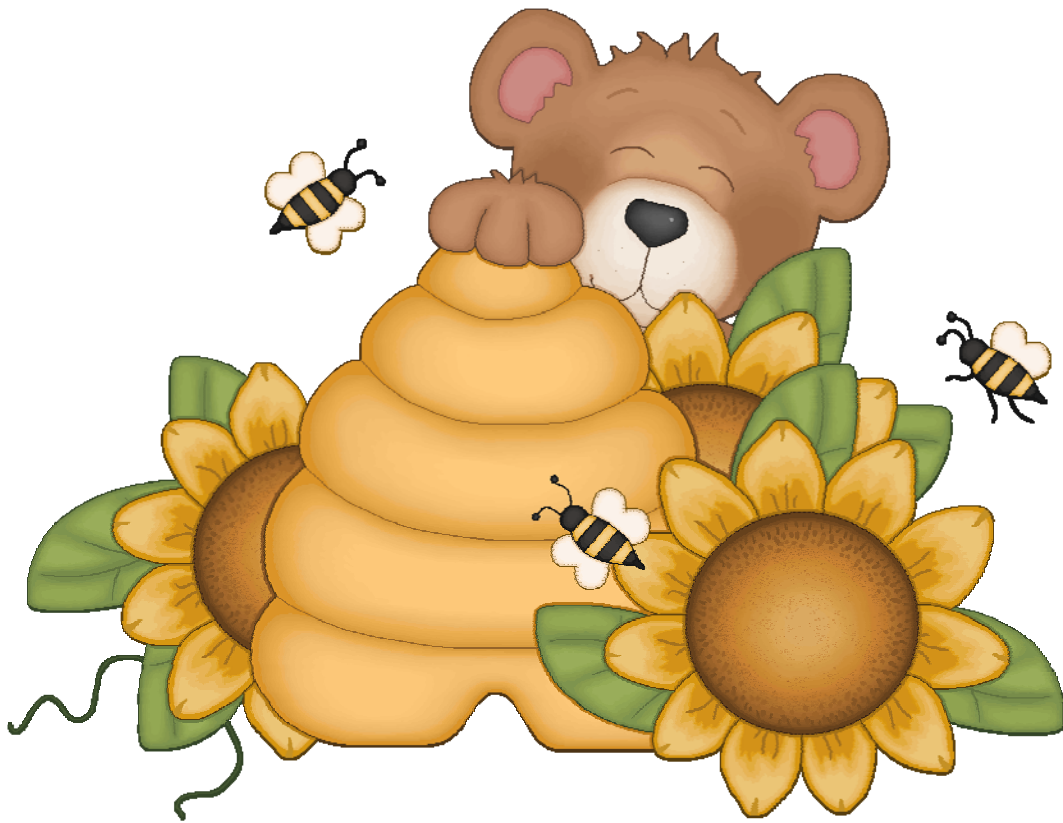

and h is for getting
a hug now and then!

H is for house,

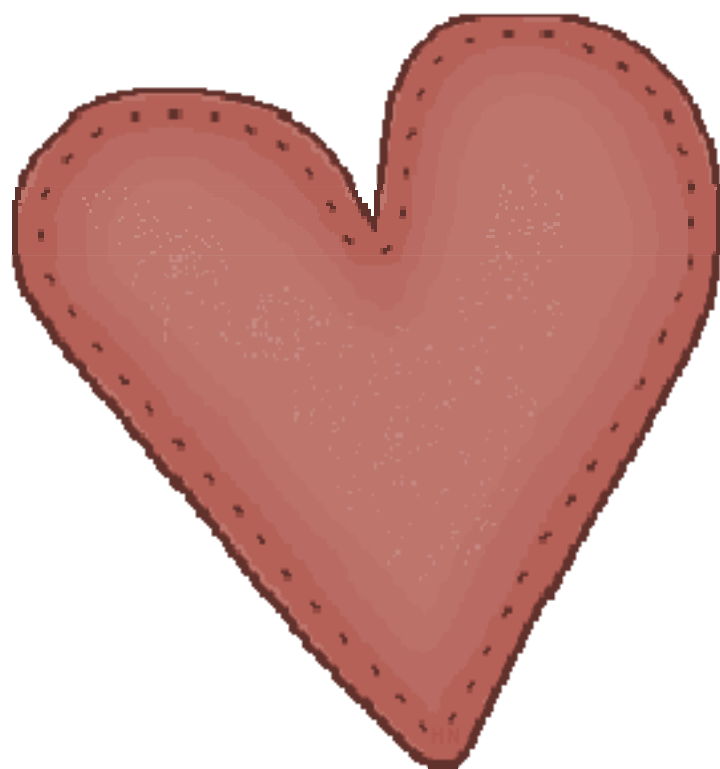

and Halloween,

and the busiest hive
I've ever seen!

H is for hockey,

and h is for heart,

and one little hedgehog
who is happy to start!

How many of these "h" words
can you find in the story?

Halloween

heart

hockey
