Cut and Paste

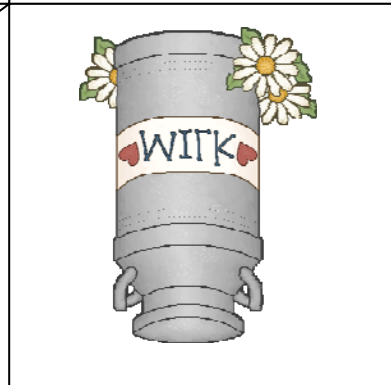

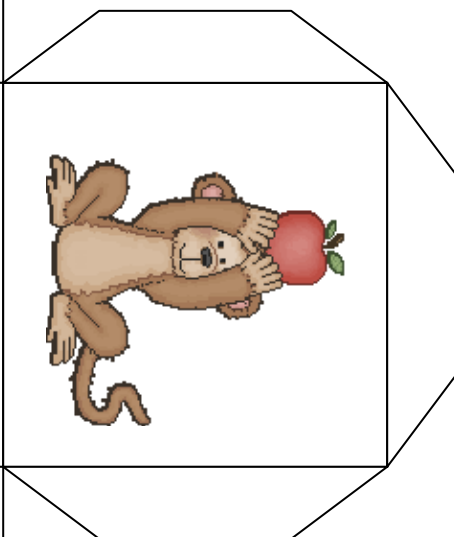

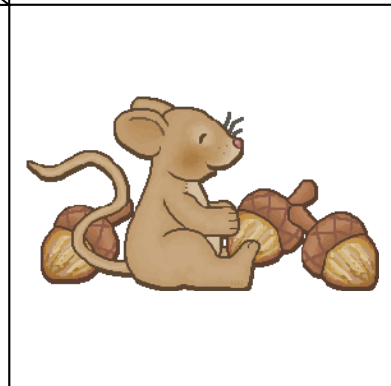

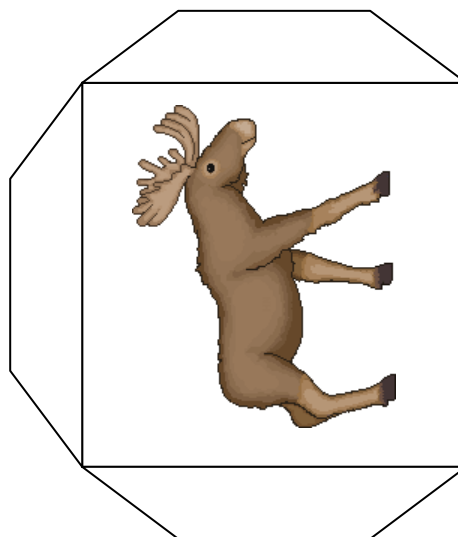

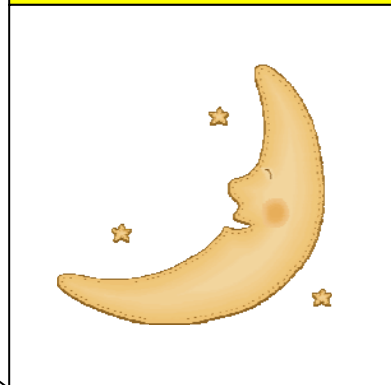

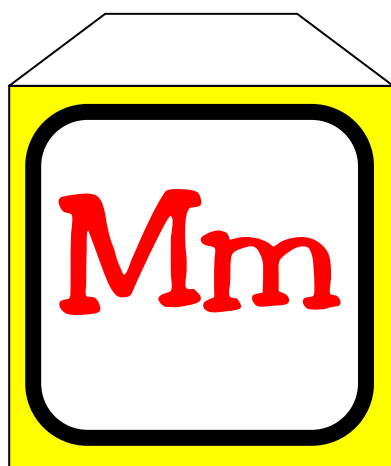

Cut out each of the pictures that begin with the sound of m. Paste inside the large M. Share with a friend, saying and touching the name of the letter and the name of each picture: "M, milk."

Cut and Paste: Mm

monkey		music	
milk		moon	
math		material	
mouse		mow	

How Many Do You Hear?

Say and clap the name of each picture. How many parts do you hear? Count and write the number of parts in each word.

Monster Munch

(Tune: Clementine)

Cherry Carl

In the mountains, in a meadow,

All the monsters met for lunch.

They didn't have a menu,

So they made some Monster Munch.

In went Mars Bars, marshmallows, M and M's, and Milky Way.

They mixed them all together.

Now they make more every day.

The "M" Song

(Tune: If You're Happy and You Know It)

Cherry Carl

We put our lips together for the m: /m/ /m/.

Yes, we put our lips together for the m: /m/ /m/.

We put our lips together, and we make a humming noise,

I can hear the humming girls and humming boys.

If you know the sound of m, show me how.

If you know the sound of m, show me now.

If you know the sound of m, make it once and then again.

If you know the sound of m, give me ten! (clap, clap)

If you know a word for m, tell a friend. (assorted responses)

If you know a word for m, tell a friend. (assorted responses)

If you know a word for m, turn around and tell a friend.

If you know a word for m, that's the end!
