Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line. There are ten sets of these lines for writing.

A series of horizontal lines for writing, consisting of solid top and bottom lines with a dashed midline, repeated ten times.

This image shows a full page of handwriting practice paper. It contains ten identical sets of horizontal lines arranged vertically. Each set is composed of three lines: a solid black line at the top, a dashed black line in the middle, and another solid black line at the bottom. These lines provide a guide for letter height and placement, typical of primary school writing materials. The background is white, and there are no other markings or text on the page.

Four Little Puppy Dogs

(Tune: Five Little Speckled Frogs)

Cherry Carl

Artwork: Helena Normark

Four little puppy dogs,

Followed a great big dog,

Digging for some delicious bones. (Yum! Yum!)

One puppy made a leap.

Then he fell fast asleep.

Now there were just three puppy dogs. (Arf! Arf!)

A Pile of Bones

(Tune: I Know an Old Lady)

Cherry Carl

Artwork: Helena Normark

I have a new puppy who loves to play,

But he never runs away.

I give him a bone when he obeys,

When he sits and when he stays.

But he never ever eats that bone.

My, oh, my, his pile has grown.

He's not alone!

Puppy Play

(Tune: Polly Wolly Doodle)

Cherry Carl

Artwork: Helena Normark

A pile of puppies play all day

They tumble in the scratchy hay!

They roll around and then again

And scare away the mother hen.

Running here! Running there!

A pile of puppies everywhere!

They run around and get in the way!

'Cause that's the way the puppies play.

Shape Book

My Puppy

Use the graphic above to create cards or shape books. Reproduce for your children on card stock and place white bond behind for usable inside pages. Use a matching colored sheet of card stock for the back. Staple on the left side and cut out all of the sheets together to form a book.

Memory Game

Duplicate the cards on card stock and laminate for durability. Be sure to play this game with your students in small groups (2 or 3) before allowing them to play independently.

The purpose of this game is to make pairs following the traditional Memory or Concentration rules. The winner is the one with the most pairs. Children just love to play and to count the number of cards they accumulate during a game.

Practice Pages

Sing a Super Sentence!

Use this interactive strategy to teach your students the art of building super sentences, singing a song and reading independently.

Materials needed:

Butcher paper or chart paper

Red, green, pink and blue markers (or 4 colors of your choice)

Procedure:

Divide the chart paper into four columns with the following headings: **adjectives** (describing words), **nouns**, **verbs** (action words) and **prepositional phrases** (where? when?)

Select your topic (i.e., puppies) and ask students to generate/brainstorm words to fit into each column.

Adjectives	Nouns	Verbs	Prepositional Phrases
furry	puppy	ran	across the yard
brown		scooted	into the puddle
wiggly		hurried	to his bowl
hungry		dashed	after the ball

Sing a super sentence: Begin with "The" or "A", add two adjectives, one noun, one verb and one prepositional phrase and sing to the tune of *The Farmer in the Dell*. (Point to each new word or phrase.)

Ex. The brown, wiggly puppy

The brown, wiggly puppy

The brown, wiggly puppy hurried after the ball.

Extension: Students may write and illustrate super sentences in their journals by following a pattern:

The _____

Look at each picture and write a describing sentence in the space provided.
