Note from the author:

Holiday Happenings is a collection of my personal poetry, songs and activities and the whimsical work of Helena Normark of www.graphicgarden.com. Her drawings have been the inspiration for many of the songs and poems that I have written since I began my website years ago. This collection unites the work of the poet (myself) and Helena's pen.

A special note of thanks to my sister, Katie, who helped me match tunes to poems. We had lots of singing phone calls!
