A Snail Leaves a Trail

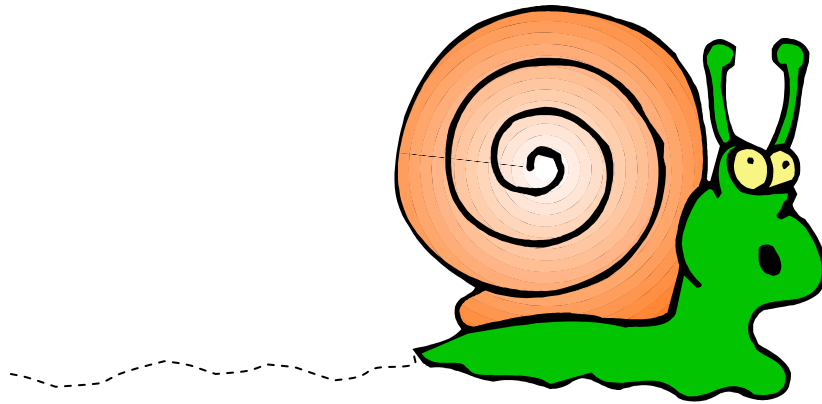

Written by Cherry Carl, 2006

A snail leaves a trail wherever it goes:

1

A snail leaves a trail wherever it goes:

1

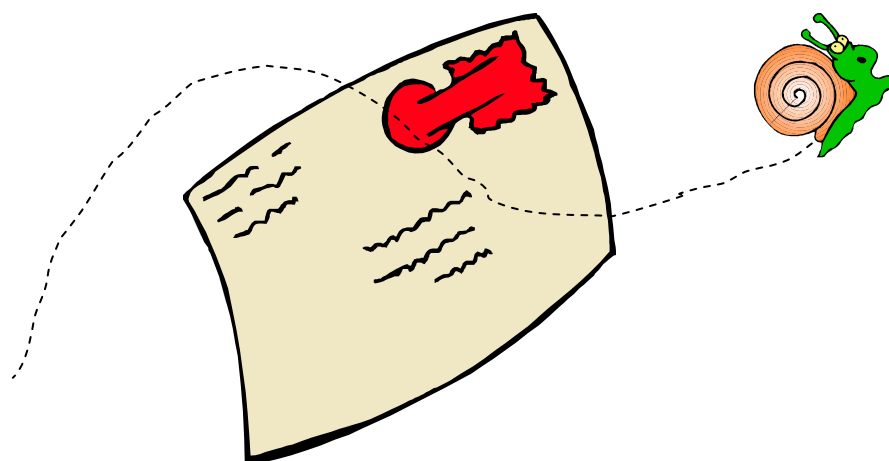

beside a pail,

2

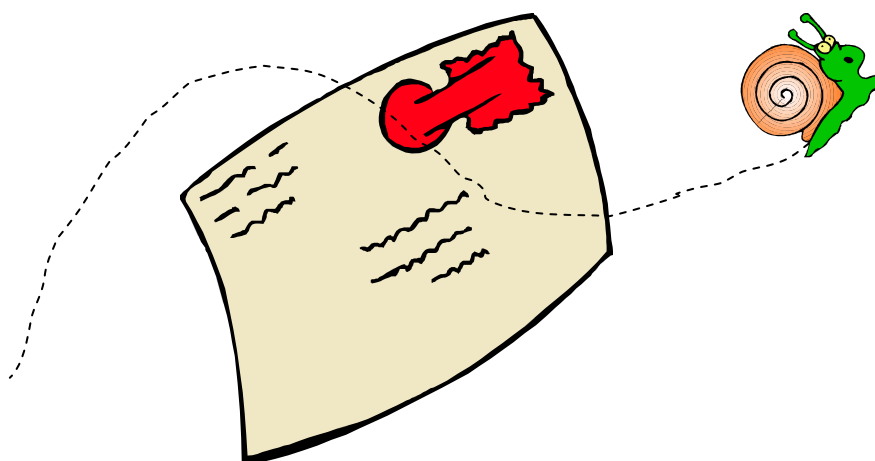

beside a pail,

2

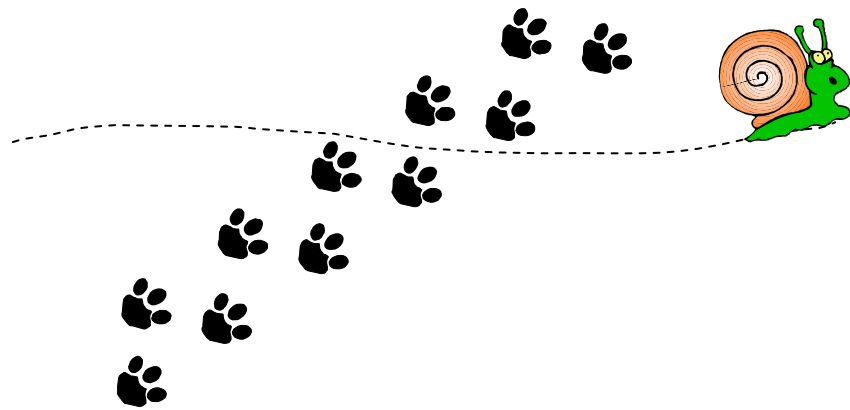

through the mail,

3

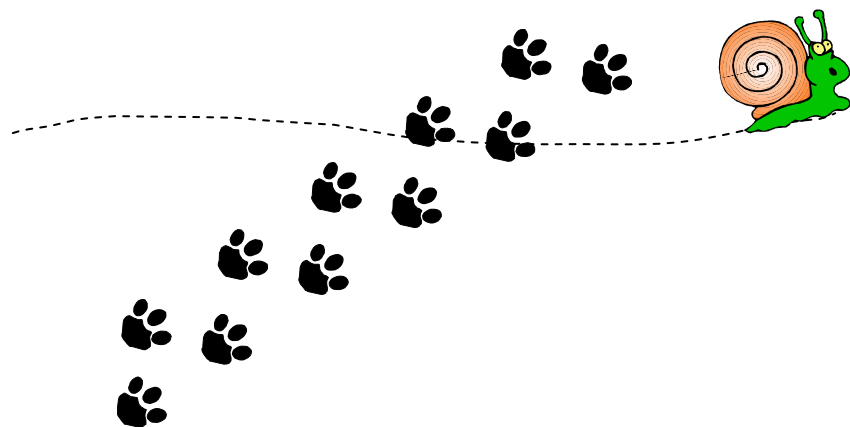

through the mail,

3

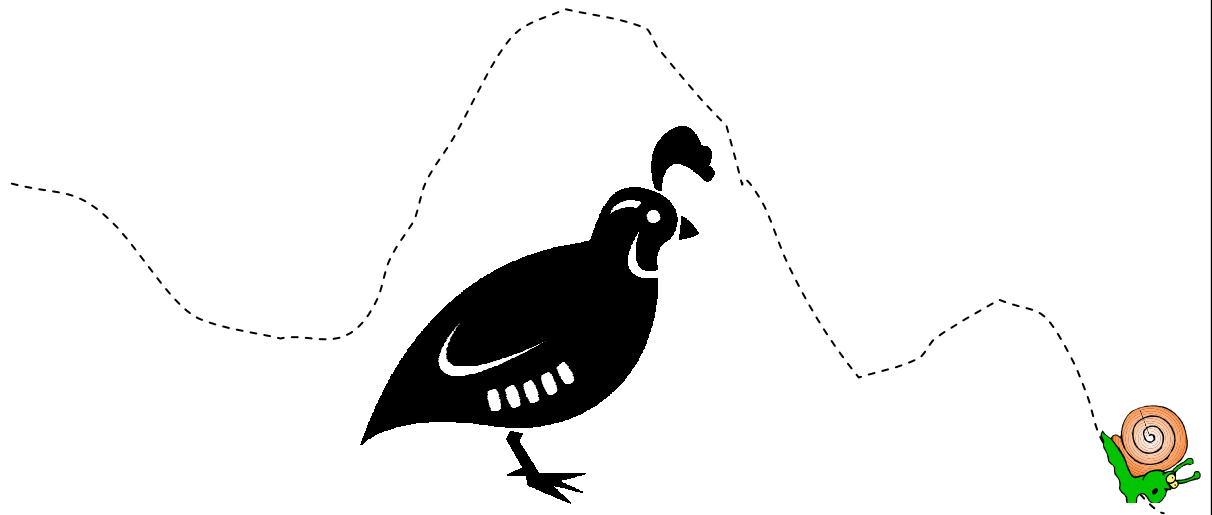

across a trail,

4

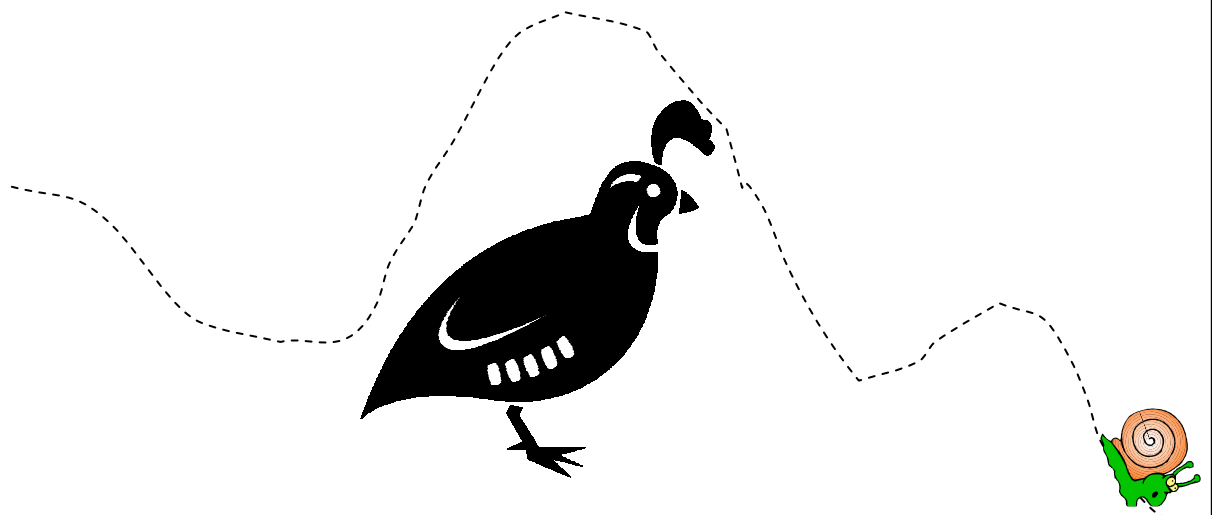

across a trail,

4

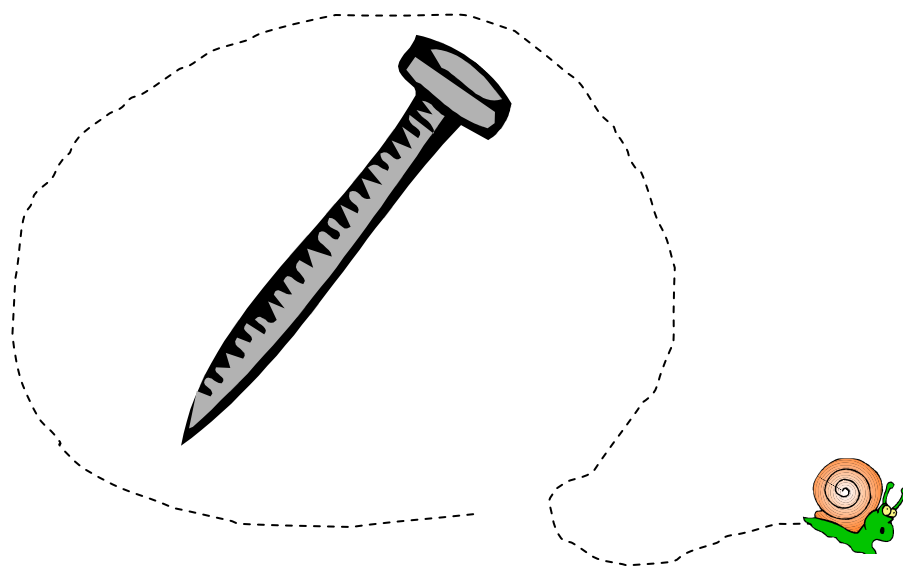

over a quail,

5

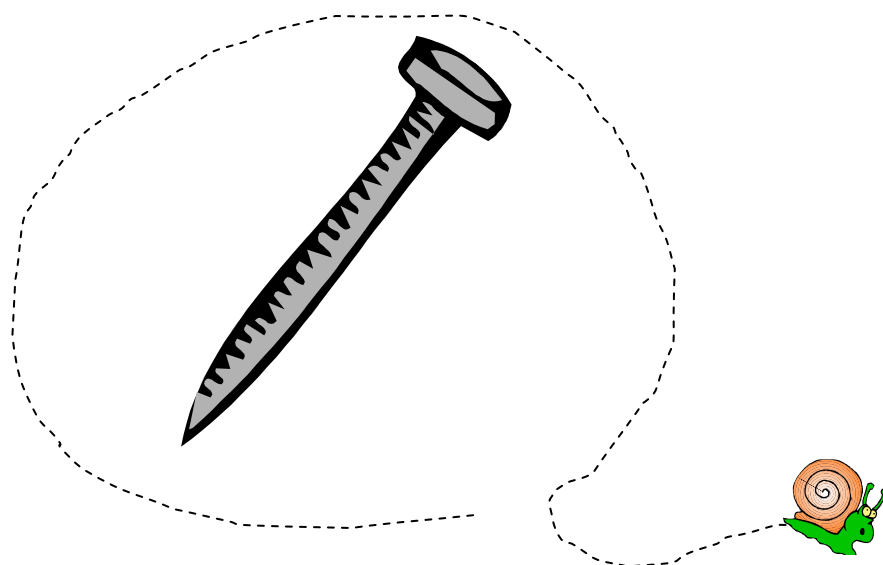

over a quail,

5

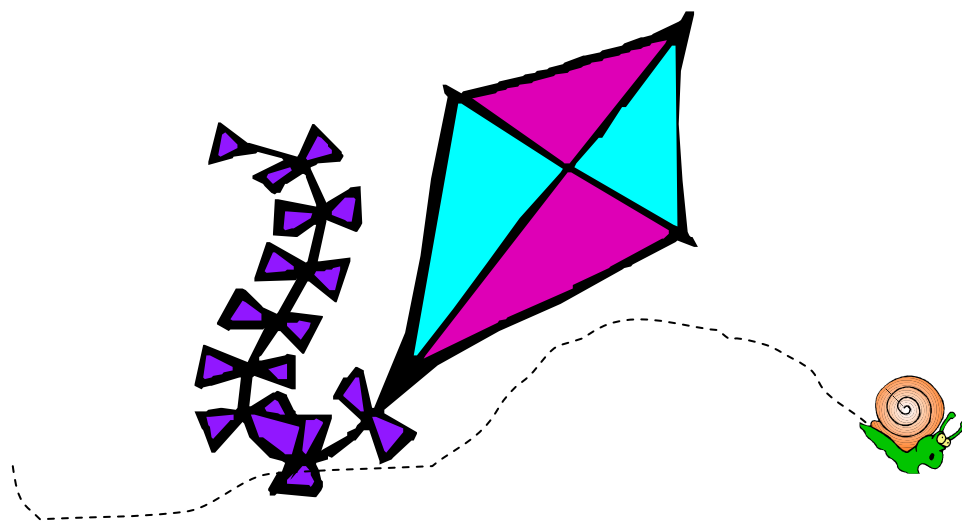

around a nail.

6

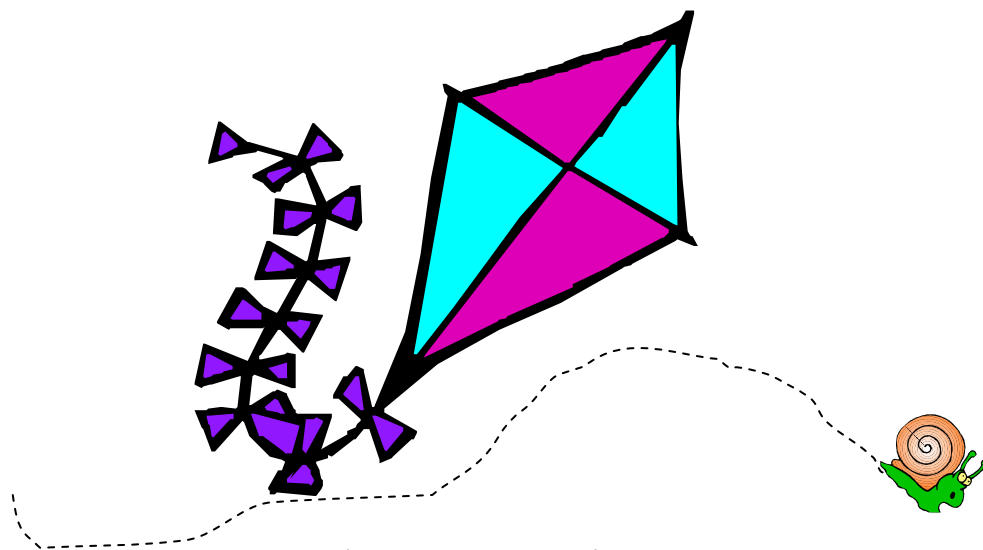

around a nail.

6

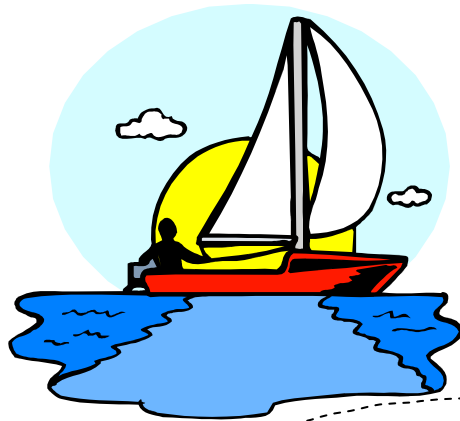

under a tail,

7

under a tail,

7

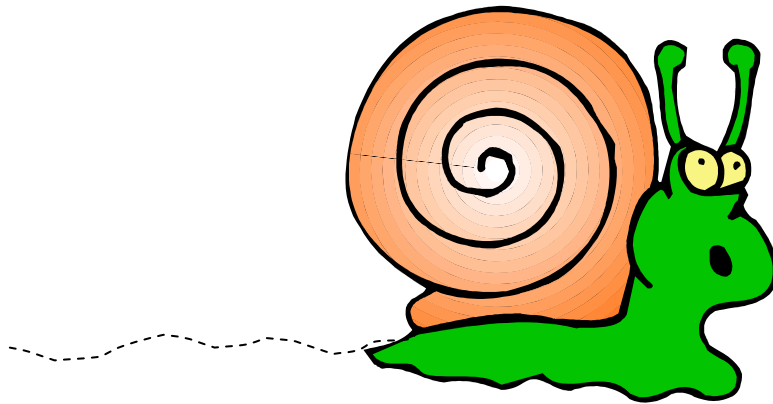

beyond a sail,

8

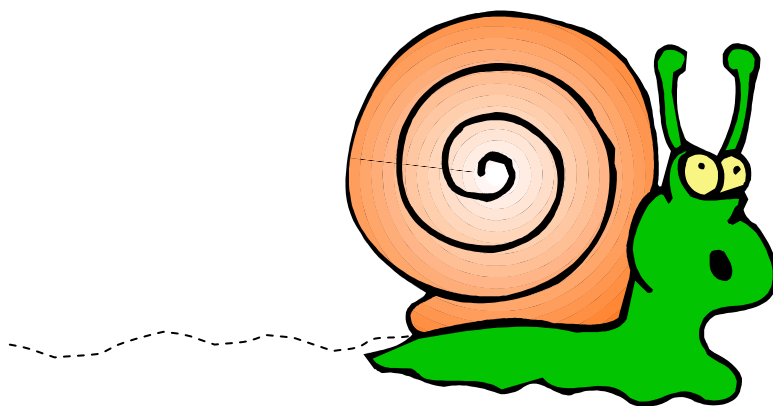

beyond a sail,

8

and back home again!

and back home again!
