Build a garden when the
spring is in the air.

Plant the seeds and
spread the dirt out
everywhere.

Sprinkle water
every morning.

Sprinkle water
every morning.

Sprinkle water
every morning.

Sprinkle water
every morning.

Watch for weeds
that give no warning.

Watch for weeds
that give no warning.

Watch for weeds
that give no warning.

Watch for weeds
that give no warning.

Just be sure to give
your garden lots
of care!

Just be sure to give
your garden lots
of care!

Just be sure to give
your garden lots
of care!

Just be sure to give
your garden lots
of care!

Soon you'll see the tiny
plants begin to sprout.
Take a spade and dig those
spreading weeds right out!

Soon you'll see the tiny
plants begin to sprout.
Take a spade and dig those
spreading weeds right out!

Spray some water
on each row.

Now stand back
and watch them grow,

Now stand back
and watch them grow,

Now stand back
and watch them grow,

Now stand back
and watch them grow,

and you'll have a
flower garden,
there's no doubt!

and you'll have a
flower garden,
there's no doubt!

and you'll have a
flower garden,
there's no doubt!

and you'll have a
flower garden,
there's no doubt!
