Special facts:

Sing a “Beary” Good Sentence!

Use this interactive strategy to teach your students the art of building super sentences, singing a song and reading independently.

Materials needed:

Butcher paper or chart paper

Red, green, pink and blue markers (or 4 colors of your choice)

Procedure:

Divide the chart paper into four columns with the following headings: **adjectives** (describing words), **nouns**, **verbs** (action words) and **prepositional phrases** (where? when?)

Select your topic (i.e., teddy bears) and ask students to generate/brainstorm words to fit into each column.

Adjectives	Nouns	Verbs	Prepositional Phrases
brown	teddy bear	sleeps	with me
furry		plays	behind the couch
fuzzy		jumps	during a picnic
black		hides	on my bed

Sing a super sentence: Begin with "The" or "A", add two adjectives, one noun, one verb and one prepositional phrase and sing to the tune of The Farmer in the Dell. (Point to each new word or phrase.)

Ex. The **brown**, **furry** **bear**

The **brown**, **furry** **bear**

The **brown**, **furry** **bear** **sleeps** **on my bed**.

Extension: Students may write and illustrate super sentences in their journals by following a pattern:
