the hospital for a
broken arm . . .

Some children come to
the hospital for a
broken arm . . .

or for a broken foot . . .

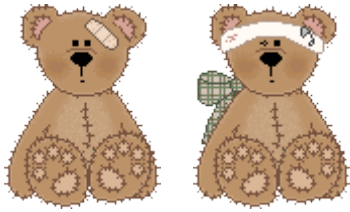

or for a broken foot . . .

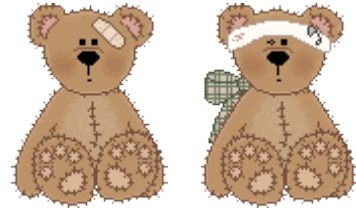

or for a broken foot . . .

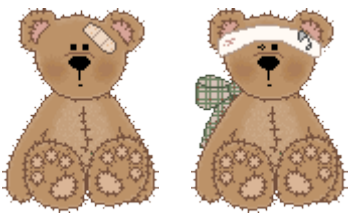

or for a broken foot . . .

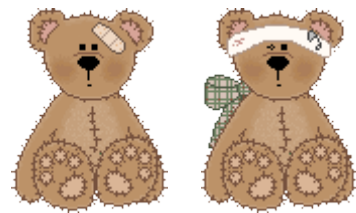

and some children just
need a Bandaid.

and some children just
need a Bandaid.

and some children just
need a Bandaid.

and some children just
need a Bandaid.

Some children go home
with a cast and crutches
to help them walk.

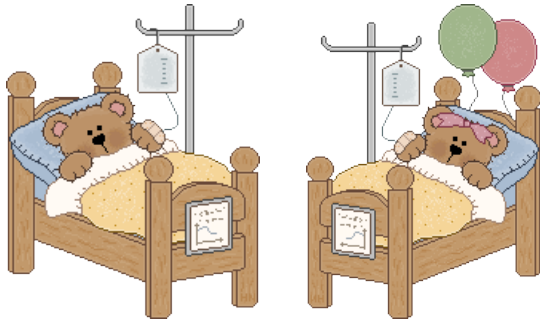

Some children go home
with a cast and crutches
to help them walk.

Some children go home
with a cast and crutches
to help them walk.

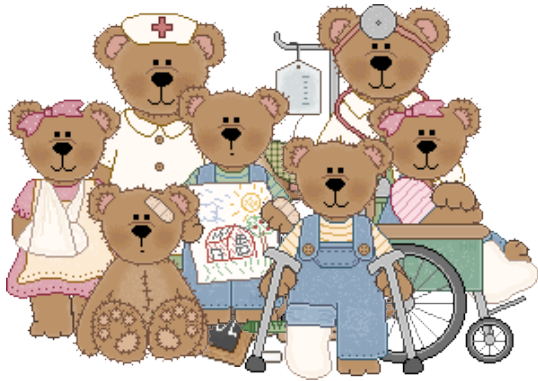

Some children go home
with a cast and crutches
to help them walk.

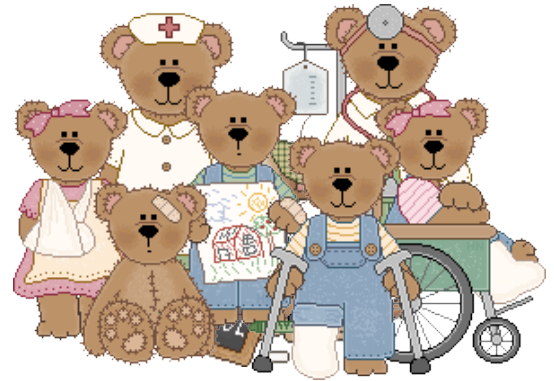

Some children might
have to stay until
they feel better.

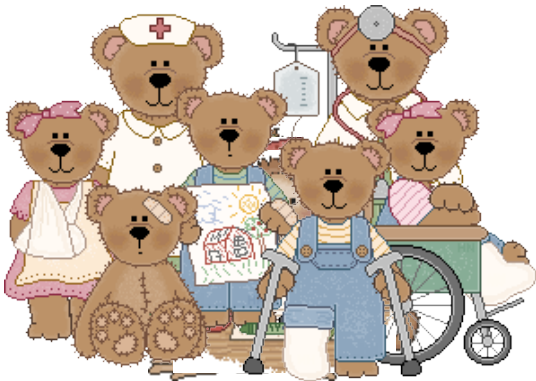

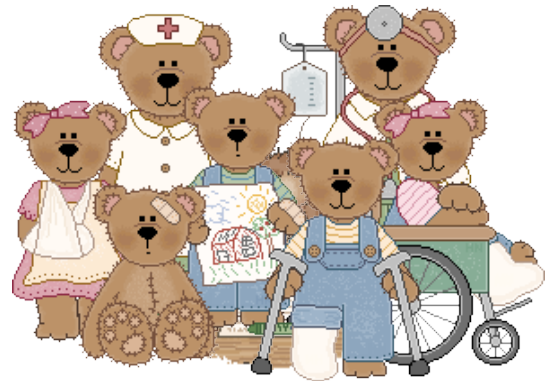

Thanks for visiting!
